

SUN VALLEY GIRLS SOFTBALL

2010 Team Trip

Parents:

Coach Bruce Dudley intends to take the Sun Valley Varsity and Junior Varsity softball teams to Disney's Softball Spring Training in Orlando, Florida during spring break in March 2010. The estimated cost of the trip is \$1,300 per person; this amount is based on quad occupancy. Please understand that the cost may change due to unforeseen events or due to added or changed options. Parents and siblings are welcome to join the team on the trip as a "Tag-Along"; however, the cost of these trips is the family's own personal responsibility. ("Tag-Along" arrangements and payment are made through team trip travel agent or independently.)

Several fundraisers are planned to help defray the cost for the players. There will be individual fundraising as well as group activities.

- Some fundraisers provide the players with a percentage of money earned, with some going to the general fund.
- All monies raised from the group activities will be divided equally among all players that participated in that particular event.
- Monies raised from individual activities will be credited to the individual.

Participants must understand that they are raising money for the Sun Valley Softball Team.

Participation in fundraising does not guarantee a spot on the high school team.

If an athlete does not make the team or decides to withdraw, any personal out of pocket money will be refunded and any money credited to her from fundraising will be held aside until she either:

- 1: makes the team another season at which time her money is returned to her active account or
- 2: graduates, then money fundraised is placed into the general fund.

- If you intend to go on the trip, check "YES" below, sign and return form with your refundable \$25.00 deposit.
- If you decline to go on the trip, check "NO" below, sign and return form.

- YES, my daughter would like to be a part of the Sun Valley Softball Team's trip to Disney's Spring Training in Orlando, Florida in March 2010. I understand that if she chooses to withdraw or does not make a team, any personal out of pocket money will be refunded and monies fundraised will be held by the Booster Association until she:
- 1: Makes a team another season, at which time monies fundraised will be returned to her account. Or
 - 2: Graduates, then monies fundraised will be placed in the general fund.
- Attached is my refundable \$25.00 deposit.

- NO, I do not wish to go on the trip.
